OE

A collection of various mechanical fasteners including bolts, nuts, washers, and springs.

OE

A collection of various mechanical fasteners including bolts, nuts, washers, and springs. The items are arranged in two rows. The top row features two coiled springs, a long bolt with a hexagonal head and a threaded shaft, and a nut. The bottom row features two coiled springs, a long bolt with a hexagonal head and a threaded shaft, and a nut. The fasteners are made of different materials, some appearing to be stainless steel and others possibly aluminum or steel.

OE	1798.74
----	---------

A collection of various mechanical fasteners and components. It includes two long bolts with hexagonal heads, two shorter bolts, two large hex nuts, two smaller hex nuts, two large flat washers, two smaller flat washers, and two coiled metal springs. The items are arranged on a plain white background.

1798.76

This image shows a full page of white paper with horizontal dashed lines. The lines are evenly spaced and run across the width of the page, providing a guide for handwriting practice. There are no margins, text, or other markings on the page.

This image shows a full page of a document template. It consists of a series of evenly spaced, horizontal grey lines running across the entire width of the page. The lines are thin and light in color, providing a guide for writing without being distracting. There are no margins, text, or other markings present on the page.

NOTES

This image shows a full page of primary-ruled notebook paper. It features multiple sets of horizontal lines across the entire page. Each set consists of three lines: a solid top line, a dashed middle line, and a dotted bottom line. These lines are repeated down the page to provide a guide for letter height and placement in handwriting practice. The background is white, and the lines are light gray or blue.
